

A craft based on

# The Cat

Written by Jan G. Hansen

Illustrated by Deborah Pryce

Print the cat out on card stock (thick paper).  
Allow children to colour the picture and select a hat for the cat to wear.  
Cut out the cat, including cuts along the dotted lines.  
Match together the lettered slots.  
Add googly eyes and stickers.

Jan arrived at Palmerston Public School in Whitby and found that they had prepared this activity for the children to do after his presentation.  
**Thanks to the Palmerston School Community Council for this craft.**
